1 unique marker  
3 stitch markers  
Tapestry needle  
Waste yarn  
Crochet hook

*GAUGE*

20 stitches and 38 rounds = 4" in Stockinette Stitch knit in-the-round

Please note: when swatching knitting flat vs in-the-round may change your gauge.

20 stitches and 48 rounds = 4" in Garter Stitch knit in-the-round

*NOTES*

-Although the stitch gauge given for both Stockinette and Garter is the same, you may need to use a smaller needle on the Garter section. Swatch both!

-This scarf is worked from the center toward the outside edge in rounds. For the first several rounds, the fabric will be quite tight around the corners. Knitting a few stitches at each end of the work on dpns will ease the way until there is enough fabric to make the turns comfortably.
