

Wearable Washcloths (Knitted Version)

Designed by Heather Boyd

Materials:

One June 2016 Beanie Bag sampler kit consisting of 20 yards each of 4 different cotton-blend yarns (80 yds total). Pair one lighter with one heavier-weight yarn for each side of the cloth, matching colors as desired, or as follows:

Berroco Remix (Heavy Worsted-weight) – A1
Sublime Egyptian Cotton (DK-weight) – B1
Blue Sky Alpacas Worsted Cotton (Worsted-weight) – A2
Rowan Handknit Cotton (DK-weight) – B2

***Note: you should have plenty of yarn to make 2 complete mitts. If you'd prefer mitts with matching sides instead of using all 4 colors in each mitt, work Sides 1 and 2 in the same 2 colors (repeat for second mitt in the other 2 colors).

Size US 6 needles

Tapestry needle

Gauge: not too important (and hard to measure since you're using 2 different weight yarns); you're looking for a semi-dense fabric without too much stretch (if larger yarn looks "holey", go down a needle size).

Finished Measurements: Approximately 3" wide by 4" tall.
