

HAMILTON YARNS

SHERLOCK SCARF

Measurements

Length 60" / 152 cm by **Width** 8.5" / 21.5 cm (unblocked as in photo)

Yarn Amount

(2) 100g hanks of **Masham Worsted** from Lorna's Laces (170 meters)

Needles

US 8 / 5 mm (or to obtain gauge)

Gauge

ca 18 sts / 36 rows = 4" / 10 cm in Garter st

SHERLOCK SCARF

Always check your gauge!!

Technical comments

The diagrams on page 3 of the pattern show the basis of geometric openwork technique. With this technique you do not have to break the yarn for the vertical columns in the pattern. The pictures show you how to carry the yarn up the side of the column invisibly which allows you to keep a crisp shape in your openwork areas.

SHAWL

Cast on 40 sts.

Knit 6 rows.

Next row (RS): Bind Off Row: K4, * bind off 8 sts, k3, rep twice more from * to end.

(There will now be 4 sts on the needle in between the BO areas and at each end).

Turn work and knit 10 rows over first 4 sts on LH needle.

Next row (WS): Knit first 4 sts, cast 8 sts onto RH needle snugly using simple loop cast-on, knit next 4 sts on LH needle, cast 9 sts onto RH needle snugly using simple loop cast-on. (See Diagram 1).

Column between triangles (4 sts)

Continuing with **only** next 4 sts on LH needle, knit 4 rows. Turn work.

Drop last cast-on st from RH needle. (See Diagram 2).

Carry Up column row: Going under the dropped st, k 1 st from LH needle, then with LH needle lift strand back over RH needle, k 3 sts. (See Diagrams 3 and 4).

Knit 3 rows over the four Column sts only.

Next column row: Work Carry Up column row again.

Knit 1 row over the four Column sts only.

Next column row: Work Carry Up column row again. (=11 rows for column)

Continuing across row, cast 8 sts onto RH needle as described above, knit last 4 sts.

Knit 6 rows over all sts.

Next row (RS): Bind Off Row: K4, * bind off 8 sts, k3, rep twice more from * to end.

(There will be 4 sts on the needle at each end and in between BO areas).

Next row (WS): Knit first 4 sts, cast 9 sts onto RH needle as described above.

(See Diagram 1).

Column between triangles (4 sts)

Continuing with **only** next 4 sts on LH needle, knit 4 rows. Turn work.

Drop last cast-on st from RH needle. (See Diagram 2).

Carry Up column row: Going under the dropped st, k 1 st from LH needle, then with LH needle lift strand back over RH needle, k 3 sts. (See Diagrams 3 and 4).

Knit 3 rows over the four Column sts only .

Next column row: Work Carry Up column row again.

Knit 1 row over the four Column sts only.

Next column row: Work Carry Up column row again. (=11 rows for column)

SHERLOCK SCARF

Continuing across row, cast on 8 sts.

Knit next 4 sts on LH needle.

Cast 9 sts onto RH needle snugly using simple loop cast-on. (See Diagram 1).

Column between triangles (4 sts)

Continuing with **only** next 4 sts on LH needle, knit 4 rows. Turn work.

Drop last cast-on st from RH needle. (See Diagram 2).

Work Carry Up column row: Going under the dropped st, k 1 st from LH needle, then with LH needle lift strand back over RH needle, k 3 sts. (See Diagrams 3 and 4).

Knit 3 rows over the four Column sts only.

Next column row: Work Carry Up column row again.

Knit 1 row over the four Column sts only.

Next column row: Work Carry Up column row again. (=11 rows for column)

Knit 6 rows over all sts.

Repeat from *** until yarn is finished, binding off after one of the knit 6 rows.

Weave in ends.

Diagram 1: Preparation for Carry Up row...
9 simple loop CO's on RH needle.

Diagram 2: Drop last CO on RH needle.

Diagram 3: Insert RH needle under the
dropped CO and knit first st on LH needle.

Diagram 4: With LH needle, pull dropped
CO over knit st (like a bind off motion).
