

Esprit Chemo Cap Knitting Pattern

Designed by: Sandy Hussey

For Jimmy Beans Wool (<http://jimmybeanswool.com>)

Sandy wrote and knitted this pattern using 1 ball of GGH's Esprit yarn. She used the Muench Touch Me pattern Amanda's Velvet Cap as inspiration and a guide. This hat comes with a few different options as well: add eyelets (shown in the photo) to the hat and then thread an i-cord or ribbon through for a feminine touch; wear your hat purl OR knit side out for two completely different looks!

Materials:

1 ball of GGH Esprit (88 yards, 50g)
