### Pattern Notes

The shawl is worked on a looser gauge than recommended for the yarn, to create a soft and drapery fabric.

Move markers up as stitch with marker is worked.

Always work yo's twisted to close up the hole, i.e knit or purl according to pattern into back lp of yo.

Slip sts purl-wise

Let colors not in use, soon to be used again, follow along the side edge, twisting the color in use around the strands not used before starting a new row.
